Your health and safety is our number one priority. The COVID-19 situation changes daily. It is important that you follow the recommendations of the Center for Disease Control at CDC's website and the information provided at covid.sd.gov regarding our state. Safe volunteering is important. Many are doing tele-volunteering which is awesome. I am sure those who are in retirement centers, homebound, socially isolating, appreciate your phone calls and cards. I am working remotely from home. I look forward to the day I can return to my Avera office.

If you have internet access, please take a moment to enter hours online. Go to www.rsvpsd.org, select "post hours", enter username, enter password, select OK, select the worksite, enter your hours, select OK.

Thank you for all you do for our communities and friends. Please be safe and take care!
