Your health and safety is our number one priority. The COVID-19 situation changes daily. It is important that you follow the recommendations of the Center for Disease Control at CDC's website and the information provided at [covid.sd.gov](http://covid.sd.gov) regarding our state.

Many are volunteering where they can do so safely and are reporting their hours. Some are doing tele-volunteering which is awesome. I am sure those who are in retirement centers, homebound, socially isolating, appreciate your phone calls and cards. I am working remotely from home. I look forward to the day I can return to my Avera office.

It is important to report your hours. **Please call me at 224-3337 to report your volunteer hours or if you have internet access, enter your hours online at [www.rsvpsd.org](http://www.rsvpsd.org)**, select "post hours", enter username, enter password, select OK, select the worksite, enter your hours, select OK.

Thank you for all you do for our communities and friends. Looking forward to the day when we may resume reading buddies, visit retirement centers and volunteer as we did pre-COVID. But until then, please be safe. When in public wear a mask, practice social distancing, wash your hands and take care!

Choose how, where, and how often you want to serve. To volunteer, when it is safe, call the staff noted.
