### Middle school TEAMMATES Mentorship Program

Students who sign up (parent permission required) are trained about the program, and asked to fill out a form that describes some of their interests and hobbies they enjoy doing. Volunteers interested in mentoring fill out a form with information on some interests they have (crafts, hunting, playing games, music, construction, writing, reading, etc.) There also will be a background check at no cost to the potential mentor. Call the director of the program [Renaeh.Lehman@k12.sd.us](mailto:Renaeh.Lehman@k12.sd.us), 773-7330.

Call Dorinda, 773-6006, to volunteer at the Cultural Heritage Center at the front desk in the lobby to greet visitors, keep a log of visitors to the building, take fees from museum visitors and tell visitors about the museum.

Seniors**

The Corporation for National and Community Service funds RSVP, launched our new brand identity, which will help make more people aware of their opportunities to serve, telling a simpler and more unified story of service.

**Thank you** for all you do for our communities and friends. Looking forward to the day when we may resume reading buddies, visit retirement centers and volunteer as we did pre-COVID. But until then, please be safe. When in public please wear a mask, practice social distancing, wash your hands and take care!
